MSRBA Historical Committee Report

As the MSRBA Historical Committee Chairman I am trying to organize and collect some of the history items of the MSRBA. One thing that I am working on is a collection of every MSRBA State Show catalog. The earliest State Show catalog that I have found is for the 1968 State Show. There are a few catalogs that I am missing. If anybody can help locate the catalogs that I am missing that would be great. I am missing the catalogs for the following years: 1974, 1977, 1994 and 1995. If anybody has any State Show catalogs from 1967 or earlier I would like to at least have copies of them for the collection.

Thanks
Richard Steinberg
MSRBA Historical Committee Chairman
